#### Art Museum

My favorite place in Mito is Mito Art Museum. It is near a hotel. It is visited by many people, especially on weekends. We can see many works of art. "Criterium" is famous. It is a series of exhibitions by young artists. I often go there with my family. If you have a chance, you should go !

#### Geijutsukan

My favorite place in Mito is Geijutsukan. It is kind of near a department store. It is visited by many people especially on weekends. There are many facilities in it. Also we can listen to music there, so please go there with your family. It's so nice !! If you have a chance, you should go !

#### Ibaraki Prefectural Library

My favorite place in Mito is Ibaraki Prefectural Library. It is kind of near Koudoukan. It is visited by many people. There are lots of books. The café serves coffee and pancakes.

#### Kairakuen

My favorite place in Mito is Kairakuen. It is kind of near Tokiwa Shrine. It is visited by many people, especially in spring. 3000 kinds of plum trees are planted there. You can go there with your friends. If you have a chance, you should go!

#### Kairakuen Garden

My favorite place in Mito is Kairakuen Garden. It can be enjoyed throughout the four seasons. Cherry blossoms, azaleas, bush clovers, and plum blossoms can be found there. The garden has a sense of history. Kairakuen Garden was created at the initiative of Nariaki Tokugawa, the 9<sup>th</sup> lord of the Mito Domain.

#### Kairakuen Park

My favorite place in Mito is Kairakuen Park. It is near a big department store. This park has beautiful flowers when it's spring. I like Kairakuen Park because I can see beautiful scenery. You should go there!

#### Lake Senba

A gourd-shaped lake with a circumference of approximately 3 kilometers is located in the southeast of Kairakuen. A promenade with cherry blossom trees surrounds the lake. Lake Senba is located next to Senba Park. We can see black swans, ride a swan boat, and enjoy walking and jogging

#### Mito City Forest Park

My favorite place in Mito is Mito City Forest Park. It is kind of near dinosaur square. It is visited by many people. There are many people with children. You can exercise there. We can also have delicious food. If you have time, please go.

#### Mito Civic Hall

My favorite place in Mito is Mito Civic Hall. It is near Department store. This is a beautiful new civic hall. Various events and concerts are held there. Please go and enjoy them.

#### Mito Police Station

My favorite place in Mito is Mito Police Station. Police officers are investigating incidents. Police Stations are where police officers keep the peace in Mito. When people drop something, they pick it up and deliver it here.

### Mito Station

Mito Station is the one and only place in Mito where you can go shopping, play in the game center with other people and use trains and buses to get to many different places. It's a very interesting place.

### Mito Station

My favorite place in Mito is Mito Station. It is near Senba Lake. Mito Station is served by the Joban Line, Suigun Line and Kashima Rinkai Railway Oarai Kashima Line. There are many shops at Mito Station.

### Mito Station

My favorite place in Mito is Mito Station. I go here very often. At Mito Station, you can do many things, such as shopping, watching movies and going to restaurants. Other students and working people also use Mito Station as a means of transportation. I recommend this place because of the variety of things to do there.

### Miyahigashi Park

My favorite place in Mito is Miyahigashi Park. It is large and has lots of playground equipment. It is visited by many people. You can enjoy playing. You can see trains there. I like this place. If you have a chance, you should go!

### Nodahara Park

The best park in Mito is Nodahara Park. It is near Ishikawa Junior High School. Many people play there. The grounds are large and mostly grass making it easy to play. There is a net and a ball can be kicked. It's an easy park to play in so everyone should go there.

### Otsuka Pond

My favorite place in Mito is Otsuka Pond. It is near a public spa and bath. It is visited by many swans in winter. It looks beautiful and we can run around the pond. It's 3 kilometers long. I often go there to run. If you have time, you should go !

### Prefectural Office

It is located near a big DIY store. The prefectural office has 25 floors above ground and 2 floors underground. The prefectural office is 116 meters high. The prefectural office has some good cafes.

### The Tokugawa Museum

My favorite place in Mito is Tokugawa Museum. It has Tokugawa Ieyasu's rear relics. It is near Kairakuen. You can see cool katana in Tokugawa Museum. Kairakuen Station can be used in February and March.
